The Peninsula Patients Network

The Peninsular Patient Network

Our awareness week in February went well and over 50 patients signed up to become involved. There are many different ways you can take part if you wish to. Please call into the surgery to pick up a leaflet and complete the flyer so we can keep in touch.

Thank you to Jacqui and Shirley who were in the waiting room and to all those patients who took time to give feedback. It is always appreciated.

Training days

Our next training afternoons will be on Wednesday 26th April and Thursday 18th May when we will be shut from 1pm. Please ring 111 for advice if your query cannot wait until the following day. In an emergency, dial 999.
