

An exciting opportunity has arisen for a part time Practice Nurse with Dr Dineen & Partners. We are looking to employ an enthusiastic and hardworking individual for the business.

Salary: dependent on experience.

Contract Type: Permanent – part time, hours to be agreed

Location: Our two sites at Holbrook and Shotley

Reporting to: Practice Manager

Main Duties:

Long term condition monitoring, cervical screening, immunisation and vaccination, travel health, minor injuries, contraceptive services, chaperone, health promotion, blood tests.

Personal Attributes

The successful candidate should be calm under pressure, work with a high degree of accuracy and have a polite, professional manner.

Knowledge and Experience:

Essential: RGN qualification, current NMC registration

Basic IT skills (Microsoft Word, Excel and email)

Desirable:

Knowledge of SystmOne would be an advantage but not essential.

Additional information:

We are seeking a Practice Nurse to cover clinics at our busy but friendly sites in Holbrook and Shotley. This is a part time post on a permanent basis and will combine regular hours as well as the opportunity to provide additional cover for holidays and sickness when necessary.

Additional cover may be needed at any time from Monday to Friday 08:00 to 19:00. Our practice thrives on our team spirit and willingness to get the job done.

The successful applicant should be flexible in terms of hours, which include evening working.

Please send CV and covering letter to Julia.smith7@nhs.net or for more information please call 01473 328263.

Closing date: Friday 14th July 2017

Interviews: w/c Monday 24th July 2017
